

THE CANADIAN NUCLEAR SOCIETY PROUDLY PRESENTS THE:

2024 CNS DIET CONFERENCE

November 27 - 29, 2024

Courtyard Toronto Downtown

WHAT IS DIET?

DIET represents Disruptive, Innovative, and Emerging Technologies in the nuclear industry. In our theme of Building Futures, expect topics including but not limited to:

- AI and Machine Learning
- Robotics
- Fusion
- Nano-technology
- Digital Twins
- Adaptive Manufacturing
- Data Analysis
- Regulatory Frameworks

SHOWCASE YOUR WORK

The Academic Committee invites you to submit a poster and participate in the Student Poster sessions. Prizes for top posters to be awarded, including the top prize of an internship with NPX.

CNS Student membership is required to participate in the Student Poster Session. Membership is free for Canadian Students.

BENEFITS

Network with Industry Experts

Join us for an exciting round table networking event, where attendees can engage with mentors of their choice, followed by an hour of open networking.

Stay Up-to-Date

Attend our plenary discussions and technical presentations to learn about the ground-breaking research and work within the nuclear industry.
